Declaration

I understand and certify that:

- 1) the information provided on this form is accurate
- 2) the above described system is intended to offset part or all of the applicants electricity needs at the installation site
- 3) the site of installation is located in the utility service territory as described on page 1 of the application
- 4) the State of Delaware and its agents provide no warranty for this system
- 5) all warranties are provided by the installing contractor and include minimum coverage of at least 5 years parts and labor
- 6) the applicant has received a copy of this completed form
- 7) requests for wind turbine funding are limited to systems 50 kW and under. Splitting systems by meter or otherwise to remain under the 50 kW limit is not acceptable and these projects will not be approved for funding.
- 8) completed grants may be queued for payment pending availability of funds and the wait for payment could be lengthy
